### D. J. KAUFMAN Starts the Man's Store's Annual July Clearance Sale

--- of Every Woolen Suit in both stores. A July Sale in July not in April, May or June.

In more than one respect this sale is without a parallel. The merchandise involved is the choicest and most desirable to be found in this city. There is nothing here that is open to the slightest question as to style, fabric or tailoring worth.

The reductions are from prices that were the lowest named on such merchandise by any store---anywhere.

A mark-down of a hold-up offers mighty little advantage, but when the lowest prices on record are reduced it means genuine savings.
